Notes

- Batch year is inferred from roll number patterns such as BC24-001, 81NAC24001, 111NAC24001, and NACBBA24-001.
- ABC ID is checked on student records (ABC_ID field) and in the portal submissions collection (abcidsubmissions).
- UG2025 and PG2025 collections are included in this report even if they currently contain zero records.
- This report reflects the database state at the time of generation.
